Route 322, Woodland Drive/Walmart Intersection, Pedestrian Improvements

DB # 06405

UPC 064050

MILEPOST(S) 49.40

COUNTY: Atlantic

MUNICIPALITY: Hamilton Twp.

A Problem Statement has been received which indicates there is a stop controlled intersection in front of the Woodlands Condominiums and the entrance to the Walmart Shopping Center. The intersection provides two center turn lanes, separated from the mainline of Route 322 by concrete channelization, allowing left turns into the two developments and U-turns from both directions. Pedestrian fencing is located in this area; however, the turning lanes provide gaps, allowing pedestrians to cross Route 322. Warning signs direct pedestrians to the Leipzig Avenue intersection located 1300 feet to the east; however, it is approximately a five minute walk to that intersection. In the past six years, 16 pedestrian-related crashes have been reported between the Woodland Condominiums and McKee Avenue.

ASSET MANAGEMENT CATEGORY: Multimodal Programs-Bicycle/Pedestrian
