**PUBLIC DEVELOPMENT APPLICATION REPORT**

July 19, 2019

Brenna Fairfax (via email)  
New Jersey Department of Transportation  
1035 Parkway Avenue  
Trenton, NJ 08625

Application No.: 2006-0322.002  
State Route 47  
Dennis Township

This application proposes construction of an electronic traffic advisory sign with associated development within the State Route 47 right-of-way in Dennis Township.

The proposed development associated with the traffic advisory sign includes the installation of 12,379 linear feet of fiber optic cable within the State Route 47 right-of-way, construction of 190 linear feet of guiderail, equipment cabinets and a paver pad for maintenance vehicle parking. The applicant also proposes the installation of 1,201 linear feet of overhead fiber optic cable on existing utility poles.

The applicant indicates that the proposed development will be utilized to inform motorists of traffic congestion and to assist the New Jersey Department of Transportation with emergency management and congestion mitigation.

**STANDARDS**

The Commission staff has reviewed the proposed development for consistency with all standards of the Pinelands Comprehensive Management Plan (CMP). The following reviews the CMP standards that are relevant to this application:

Land Use (N.J.A.C. 7:50-5.23(b)12 & 14 and (N.J.A.C. 7:50-5.27(a))

The proposed development is located partially in a Pinelands Forest Area and partially in the Pinelands Villages of North Dennis and Dennisville.

The proposed electronic sign is located in a Pinelands Forest Area. The proposed electronic sign is a permitted use in a Pinelands Forest Area.

Approximately 4,600 linear feet of the proposed fiber optic cable (public service infrastructure) is located in a Pinelands Forest Area. The proposed fiber optic cable is a permitted use in a Pinelands Forest Area as it is intended to primarily serve only the needs of the Pinelands.

Approximately 7,779 linear feet of the proposed fiber optic cable (public service infrastructure) is located in the Pinelands Villages of North Dennis and Dennisville. The proposed fiber optic cable is a permitted use in a Pinelands Village.

#### Wetlands Standards (N.J.A.C. 7:50-6.13)

There are wetlands located within 300 feet of the proposed development. A portion of the proposed fiber optic cable that is proposed under existing grassed road shoulders will be located in the required buffer to wetlands.

The CMP permits fiber optic cables (linear improvements) in the required buffer to wetlands provided the applicant demonstrates that certain CMP specified conditions are met. The applicant has demonstrated that there is no feasible alternative to the proposed development that does not involve development in the required buffer to wetlands or that will result in a less significant adverse impact to the required buffer to wetlands. In addition, the proposed development will not result in a substantial impairment of the resources of the Pinelands. With the conditions below, all practical measures are being taken to mitigate the impact on the required buffer to wetlands. The applicant has represented that the proposed development is necessary to improve the safety of the existing roadway. The applicant has demonstrated that the need for the proposed development overrides the importance of protecting the wetlands buffer.

#### Vegetation Management Standards (N.J.A.C. 7:50-6.23 & 6.26)

The proposed development will be located within existing maintained grassed road shoulders. The proposed soil disturbance is limited to that which is necessary to accommodate the proposed development.

The Landscaping and Revegetation guidelines of the CMP recommend the use of grasses that are tolerant of droughty, nutrient poor conditions. The applicant proposes to replant non-native lawn grasses along the maintained road shoulder.

#### Cultural Resource Standards (N.J.A.C. 7:50-6.151)

A cultural resource survey was prepared for this application. It was determined that there were no cultural resources eligible for Pinelands designation within the project area.

### **PUBLIC COMMENT**

The applicant has provided the requisite public notices. Newspaper public notice was completed on May 18, 2019. The application was designated as complete on the Commission's website on July 1, 2019. The Commission's public comment period closed on July 12, 2019. No public comment was submitted to the Commission regarding this application.

Re: Application # 2006-0322.002  
State Route 47  
Dennis Township

Dear Ms. Fairfax:

The Commission staff has completed its review of this application for construction of an electronic traffic advisory sign with associated development within the State Route 47 right-of-way. Enclosed is a copy of a Public Development Application Report. On behalf of the Commission's Executive Director, I am recommending that the Pinelands Commission approve the application with conditions at its August 9, 2019 meeting.

Any interested party may appeal this recommendation in accordance with the appeal procedure attached to this document. If no appeal is received, the Pinelands Commission may either approve the recommendation of the Executive Director or refer the application to the New Jersey Office of Administrative Law for a hearing.

Prior to any development, the applicant shall obtain any other necessary permits and approvals.

Sincerely,

Charles M. Horner, P.P.  
Director of Regulatory Programs

### CONDITIONS

1. Except as modified by the below conditions, the proposed development shall adhere to the plan, consisting of 12 sheets, prepared by Michael Baker International, Inc., and dated as follows:  
  
Sheets 1-4 & 6-12 - December 14, 2018  
Sheet 5 - July 17, 2019
2. Disposal of any construction debris or excess fill may only occur at an appropriately licensed facility.
3. Any proposed revegetation shall adhere to the "Vegetation" standards of the CMP. Where appropriate, the applicant is encouraged to utilize the following Pinelands native grasses for revegetation: Switch grass, Little bluestem and Broom-sedge.
4. Prior to any development, the applicant shall obtain any other necessary permits and approvals.
5. Appropriate measures shall be taken during construction to preclude sedimentation from entering wetlands and shall be maintained in place until all development has been completed and the area has been stabilized.

### CONCLUSION

As the proposed development conforms to the standards set forth in N.J.A.C. 7:50-4.57, it is recommended that the Pinelands Commission **APPROVE** the proposed development subject to the above conditions.

**PINELANDS COMMISSION**  
**APPEAL PROCEDURE**

The Pinelands Comprehensive Management Plan (N.J.A.C. 7:50-4.91) provides an interested party the right to appeal any determination made the by Executive Director to the Commission in accordance with N.J.A.C. 7:50-4.91. An interested party is someone who has a specific property interest sufficient to require a hearing on constitutional or statutory grounds. Only appeal requests submitted by someone meeting the definition of an interested party will be transmitted to the New Jersey Office of Administrative Law for a hearing. Any such appeal must be made in writing to the Commission and received by the Commission's office no later than 5:00 PM on August 6, 2019 and include the following information:

1. the name and address of the person requesting the appeal;
2. the application number;
3. the date on which the determination to be appealed was made;
4. a brief statement of the basis for the appeal; and
5. a certificate of service (a notarized statement) indicating that service of the notice has been made, by certified mail, on the clerk of the county, municipal planning board and environmental commission with jurisdiction over the property which is subject of this decision.

Within 15 days following receipt of a notice of valid appeal, the Executive Director shall initiate the procedures for assignment of an Administrative Law Judge to preside at the hearing pursuant to the Administrative Procedures Act, N.J.S.A. 52:14B-1 et seq., and the procedures established by the Office of Administrative Law. The time, date and location of such hearing shall be designated by the Office of Administrative Law.
