Special Use Permit

Permit Date(s) & Time(s): 12/7/2018-02/07/2019

Event Name: ___ Access across state lands for emergency bridge repair – Landing Lane Bridge over the D&R Canal

SPS Area: Delaware and Raritan State Park – Landing Lane (County Route 609) –City of New Brunswick, NJ [Middlesex County]_

Permittee: New Jersey Department of Transportation – Attn: Brendan Brock

Street Address: _951 Parkway Avenue_____

City/Town: _Ewing Township_____ **State:** _NJ_ **Zip Code:** _08625

Telephone/Contact Numbers: Brendan.Brock@dot.nj.gov, 609-530-3013, 856-206-3826 cell, 609-530-5305 fax

Engineers: ECM Engineers
Whitehorse Commercial Park
127 Route US 206, Suite 30
Hamilton, NJ 08610
609-581-4900
Glen Fitzgerald, Principal Engineer

DRCC: GP 1 DRCC # 18-1931A
SHPO: HPO Project #17-1876-6, HPO-L2018-010

Specific Use and Location:

Project Repair Description :

1. Repair asphalt deck

o This will require the removal of the asphalt, repair of the deteriorated steel deck forms as needed and replacement of asphalt riding surface. The deck pans are a modern retrofit and not a part of the original historic structure.

2. Repair steel transfer beams (2)

o This will require the removal of two steel beams from under the deck and replacing in kind with similar structural components and high strength bolts. We will use timber blocks to shore the adjacent members during this repair. Due to the minimal clearance under the structure, it may be necessary to

2/6/2008

PR/SUP #: 2019-010

remove the asphalt and deck pans in these areas to perform the repairs. The deck pans are a modern retrofit and not a part of the original historic structure. These areas will then be repaired and overlaid with asphalt as with the deck repair (#1. Above).

3. Repair South abutment with non-shrink grout

o This will require the removal of loose/ deteriorated concrete at the South Abutment where the rollers would have rolled during operation of the swing. Care would be taken to collect all debris and remove from the location for disposal. Forms will be installed. New non-shrink grout would then be poured to bring the abutment back to original conditions with care being taken to prevent leakage into the canal. After the grout cures steel shims will be added below the timber posts that are supporting the south end of the structure (as needed) to provide full bearing and prevent further damage to the steel members due to repetitive deflection under load. The forms will be removed.

NJDOT has stated that the repairs will be done in-kind and not impact existing clearances with respect to the underside of the road deck. A spill containment boom will be kept on-site.

Subject to the Terms and Conditions described in: Attachment(s): A _____

1. Contractor vehicles will be utilized. The NJ State Park Service is not responsible for any vandalism or damage that may occur. Remove any machinery from the site daily to ensure its safety.
2. Vehicular access to the towpath or grassy area of the park is permitted.
3. **General Liability Insurance in the sum of \$1,000,000 is required for this event. (List State of New Jersey, NJDEP, Division of Parks and Forestry, NJ State Park Service, D&R Canal State Park and New Jersey Water Supply Authority as additionally insured)**
4. Permittee must take all trash out of the park. D&R Canal State Park is a Carry-In/Carry- Out park.
5. The permittee will be responsible for supervision of any event, activity or service.
6. **There is a One Hundred and Fifty (\$150) dollar Special Use Permit fee to be mailed ASAP to the D&R Canal State Park Kingston Office with the signed Special Use Permit. Checks are to be made payable to "Treasurer, State of New Jersey." [Mailing address: 145 Mapleton Road Princeton, NJ 08540] Participants may not block any area of D&R Canal State Park for use by the public during this event.**
7. Port-A-Johns are not guaranteed. If you would like to be certain that restroom facilities will be present for you event, make provisions for your organization to rent them.
8. The applicant shall use a boom or other method to contain any debris in the canal and remove such debris from the water
9. D&R Towpath should remain open to public/park/NJWSA use. Use flag persons to stop traffic if needed.

This permit grants no privilege other than that which is specifically mentioned herein.
