Baseline Document Change Announcement

ANNOUNCEMENT: BDC19MR-01

DATE: August 22, 2019

SUBJECT: Controlling Design Element Revisions
- Updated to "Section 1 – Introduction" of the Roadway Design Manual, 2015

REFERENCE: Design Exception Manual
- Release of the Design Exception Manual, 2019

BDC19T-01 dated August 21, 2019

Revised Subsection 1.1 – Introduction in its entirety to incorporate changes made to the Design Exception Manual, 2019. Also eliminates references to design exceptions in Subsection 5.3 – Lane Widths.

The revisions in this BDC must be read in conjunction with the referenced Design Exception Manual, 2019 BDC Announcement, BDC19T-01.

Implementation Code S (SPECIAL)

Changes must be implemented immediately on August 22, 2019.
