Route 440 northbound ramp to Raritan Center/CR 514 westbound to be closed overnight for bridge repairs in Edison Closure required for bridge deck repairs

(Trenton) – New Jersey Department of Transportation (NJDOT) officials today announced the ramp from Route 440 northbound to Raritan Center/CR 514 westbound will be closed and detoured overnight this week as a bridge repair project advances in Edison, Middlesex County.

Beginning at 8 p.m. tonight, Wednesday, May 26 until 7 a.m. tomorrow, Thursday, May 27, and again Thursday during the same hours, NJDOT's contractor, Power Concrete, is scheduled to close the ramp from Route 440 northbound to Raritan Center/CR 514 westbound. This closure will allow the contractor to complete deck repairs on the Route 440 Bridge over CR 514/Woodbridge Avenue. The following signed detour will be in place:

Route 440 northbound ramp to Raritan Center/CR 514 westbound detour:

- Motorists on Route 440 northbound wishing to take the ramp to Raritan Center/CR 514 westbound will be directed to continue on Route 440 northbound
- Take the ramp towards Smith Street/Riverside Drive/Fords
- Keep right at the fork towards Riverside Drive
- Merge onto Riverside Drive
- Turn right onto Parkway Place
- Turn right onto Raritan Center Parkway
- Continue on Raritan Center Parkway, which becomes CR 514/Woodbridge Avenue

The work is part of a \$6.5 million federally-funded project to maintain and repair 36 bridges at various locations throughout Middlesex and Somerset counties.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
