Department of Transportation Readopting Truck Access Rule

(Trenton) – The New Jersey Department of Transportation is issuing notice of readoption with amendments at N.J.A.C. 16:32. The purpose of these rules is to provide standards and procedures applicable to large truck operations within the State of New Jersey in regard to permitted routes, width restrictions, length requirements, and access to terminals and other facilities. Amendments are necessary in order to update contact information and revise appendices.

The proposal was published in the August 1, 2022 issue of New Jersey Register at 54 N.J.R. 1467(a). It may be viewed on the Department’s rule proposals page [here](#).

The public may send in written comments by the close of the public comment period on **September 30, 2022** via the Department’s website [comment form](#), or via the following mail or email addresses:
