Elizabeth Rose Galamba
609-963-1975

Parkville Station Road to be closed and detoured for two weeks in West Deptford, Gloucester County **Closures necessary for railroad crossing repairs**

(Trenton) – Parkville Station Road will be closed in both directions on Monday, September 12, at 7 a.m. until 7 a.m. Tuesday, September 27, between Kings Highway and Harvest Drive in West Deptford, Gloucester County.

Parkville Station road will be closed in both directions for railroad crossing repairs. Access will be maintained for local residents and businesses. Motorists are advised to follow the posted detour.

In order to provide safer and smoother railroad crossing, the existing crossing will be replaced with new concrete crossings and asphalt approaches. This federally-funded project is included within NJDOT's railroad grade-crossing safety program which repairs, upgrades, or removes approximately 50 crossings each year, statewide.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
