I-80 westbound lane closures tonight for expansion joint and bridge deck repairs in Paterson Closures just before Exit 60 to Route 20 northbound

(Trenton) – Three right lanes on I-80 westbound will be closed tomorrow, Friday, October 14 from 9 p.m. until 5 a.m. Saturday, October 15 just before the Exit 60 ramp to Route 20 northbound in Paterson, Passaic County.

The closures are necessary to make expansion joint and bridge deck repairs to the I-80 Bridge over the Passaic River. The ramp from River Drive to I-80 westbound and the Exit 60 ramp to Route 20 northbound will remain open during construction. Motorists are advised to slow down, expect delays and use caution, while driving through the work zone or plan an alternate route.

The work is part of a \$9.7 million state-funded maintenance project to repair steel and aluminum structures at various locations in eight counties throughout North Jersey.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
