Route 322 eastbound lane closure tonight for developer project in Woolwich Township Route 322 right shoulder to be closed in both directions

(Trenton) – Route 322 eastbound is scheduled to be closed tonight with alternating traffic just before the Route 322 and Oak Grove Road/Locke Avenue intersection as a developer project begins in Woolwich Township, Gloucester County. In addition, the right shoulder on Route 322 is scheduled to be closed in both directions.

From 8 p.m. tonight, Wednesday, April 12 until 5 a.m. tomorrow, Thursday, April 13, Route 322 eastbound will be closed at the intersection of Oak Grove Road/Locke Avenue. In addition, right shoulder closures will be required on Route 322 in both directions at the intersection. The closures are necessary to install construction barrier and to set up a work zone in the shoulder. Alternating traffic will be maintained on Route 322 westbound.

The work is part of a developer project that includes the installation of a new traffic signal at the intersection of Route 322 and Oak Grove Road/Locke Avenue, widening and realigning of the roadways, drainage system improvements, and milling and paving.

Motorists are encouraged to slow down and use caution when driving through the work zone. The precise timing of the work is subject to change due to weather or other factors.
