Route 9 southbound right lane closure beginning tonight in South Amboy and Sayreville, Middlesex County At least one lane of traffic will be maintained

(Trenton) – The right lane on Route 9 southbound is scheduled to be closed tonight and continuing into next week for concrete deck repairs in South Amboy and Sayreville, Middlesex County.

Beginning at 8 p.m. tonight, Friday, April 21, until 8 a.m. Tuesday, April 25, NJDOT's contractor, Joseph M. Sanzari, Inc., is scheduled to close the right lane on Route 9 southbound on the Route 9 Bridge over Raritan Street. The closure is necessary to make concrete deck repairs to the bridge. The ramp to Raritan Street/Sayreville will remain open during construction, and at least one lane of traffic will be maintained overnight.

The work is part of a \$9.8 million state-funded maintenance project to repair concrete structures at various locations in eight counties throughout Central Jersey.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
