Route 130 southbound daytime lane closures on Bridge over Rancocas Creek in Burlington County Route 130 southbound overnight lane closures in Gloucester County

(Trenton) –Route 130 southbound is scheduled to have lane closures during the day this week on the Route 130 Bridge over Rancocas Creek in Delran, Delanco, and Willingboro, Burlington County. In addition, varying overnight lane closures are scheduled on the Route 130 southbound Bridge over Route 44 and Raccoon Creek in Logan, Gloucester County.

From 9 a.m. until 3:30 p.m. today, Monday, June 19, and continuing daily through Thursday, June 22, at the same times, a single lane is scheduled to be closed on Route 130 southbound on the Bridge over Rancocas Creek in Burlington County.

In addition, beginning at 8 p.m. tonight, Monday, June 19, until 6 a.m. Tuesday, June 20, and continuing nightly through Thursday, June 22, at the same times, the right lane will be closed on Route 130 southbound on the Bridge over Route 44 and Raccoon Creek in Gloucester County.

The closures are necessary to make bridge joint and concrete repairs. At least one lane will be maintained on Route 130 southbound during construction.

This work is part of the \$8.9 million federally funded bridge preventative maintenance contract that will make joint and concrete repairs to approximately 41 bridges on Routes 40, 47, and 130 in various locations across Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer and Salem counties.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
