## **Route 130 southbound daytime right lane closures next week on Bridge over Rancocas Creek in Burlington County At least one lane will be maintained during construction**

**(Trenton)** – Route 130 southbound is scheduled to have right lane closures during the day next week on the Route 130 Bridge over Rancocas Creek in Delran, Delanco, and Willingboro, Burlington County.

From 9 a.m. until 3:30 p.m. Monday, June 26, and continuing daily through Thursday, June 29, at the same times, a single lane is scheduled to be closed on Route 130 southbound on the Bridge over Rancocas Creek. The closures are necessary to make bridge joint and concrete repairs. At least one lane will be maintained on Route 130 southbound during construction.

This work is part of the \$8.9 million federally funded bridge preventative maintenance contract that will make joint and concrete repairs to approximately 41 bridges on Routes 40, 47, and 130 in various locations across Atlantic, Burlington, Camden, Cape May, Cumberland, Gloucester, Mercer and Salem counties.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for construction updates and real-time travel information.
