Route 20 northbound lane closure starts tonight as roadway rehabilitation project advances in Paterson, Passaic County **Closure necessary for shoulder reconstruction**

(Trenton) – Route 20 northbound is scheduled to have a lane closure starting tonight as the Route 20 Paterson Safety, Drainage, and Resurfacing project advances in Paterson, Passaic County.

Starting at 8 p.m. tonight, Friday, December 8 the right lane on Route 20 northbound is scheduled to be closed between 10th Avenue and 4th Avenue. One lane of traffic will be maintained. The closure is necessary to reconstruct the right shoulder and will be in place for approximately two weeks.

The \$48.5 million federally funded Route 20 Paterson Safety, Drainage, and Resurfacing project will make upgrades and repairs along approximately five miles of Route 20 in Clifton and Paterson, Passaic County. In addition to drainage improvements, the project will include repaving, guiderail replacement, lighting and overhead sign installation, and upgrades to traffic signals, curbs and sidewalks. The project is expected to be completed by the fall of 2025.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information, and for NJDOT news follow us on X (Twitter) [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) or on the [NJDOT Facebook page](#).
