Route 57 single lane closures tomorrow as culvert replacement project begins in Lopatcong, Warren County Alternating traffic will be maintained during construction

(Trenton) – Route 57 is scheduled to have single lane closures tomorrow as a culvert replacement project advances in Lopatcong, Warren County.

From 8 a.m. until 3:30 p.m. tomorrow, Tuesday, December 12, single lane closures are scheduled on Route 57 in both directions between Red School Lane and Hyde Boulevard. The closures are necessary to remove rumble strips. Alternating traffic will be maintained during construction.

The \$8.1 million federally funded project will replace the existing culvert on Route 57 over Lopatcong Creek. The project also includes guiderail replacement and paving. Work is expected to be complete in fall 2024.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information and for NJDOT news follow us on Twitter [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) or on the [NJDOT Facebook page](#).
