The work is part of the Direct Connection project that will provide a seamless route for I-295 motorists traveling through the interchange of I-295, I-76, and Route 42. To sign up for I-295 Direct Connect project updates go to 295DirectConnect.com or text CONNECT to 1-844-844-3681. Portable variable message signs are being utilized to provide advance notification to the public of all traffic pattern changes associated with the work. The precise timing of the work is subject to change due to weather or other factors.

NJDOT Pothole Campaign

NJDOT's 2024 Pothole Campaign began on March 4. [Watch a safety message from Acting Commissioner Fran O'Connor](#) about how NJDOT repairs potholes to keep our roads safe and in a state of good repair.

To repair potholes in the most aggressive and efficient manner during the Pothole Campaign, the Department will be allowing crews throughout the state to close travel lanes where necessary during daytime hours. When possible, crews will limit their daytime work hours from 9 a.m. to 3 p.m. and will try to avoid working in travel lanes carrying traffic during peak times.

It is important to **slow down in work zones** so NJDOT crews can safely make repairs. [New Jersey's Move Over law](#) requires motorists to move over, if it is safe to do so, when approaching an emergency or service vehicle stopped on the side of the road. If you cannot safely MOVE OVER, PLEASE SLOW DOWN.

In addition to our crews monitoring and reporting potholes that need repair on state highways, we encourage motorists to report potholes as well. Motorists may call **1-800-POTHOLE** or go online to [report potholes](#) on state roads using a new mapping feature to help identify the exact location of the pothole.

To report potholes on county roads, [contact the appropriate jurisdiction](#). The Department responds as quickly as possible, especially to reports of potholes that create safety concerns based on their size and location.

Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information, and for NJDOT news follow us on X (Twitter) [@NewJerseyDOT](#) or on the [NJDOT Facebook page](#).
