## **Market Street ramp to I-80 westbound to be closed and detoured overnight tonight in Paterson Single lane closure on Route 46 eastbound also starts tonight**

**(Trenton)** – The ramp from Market Street to I-80 westbound is scheduled to be closed and detoured overnight. In addition, a single lane closure is scheduled to begin tonight on Route 46 eastbound in Paterson, Passaic County.

Beginning at 8 p.m. tonight, the right lane on Route 46 eastbound will be closed between the Garden State Parkway to and including the ramp to continue on Route 46 eastbound/Elmwood Park. The lane closure is necessary for parapet and guiderail work and is expected to be in place for approximately four weeks. One lane of traffic will be maintained during construction.

Also overnight tonight, once the Route 46 lane closure is complete, the ramp from Market Street to I-80 westbound will be closed and detoured until 6 a.m. Saturday, June 8 to set up a single lane closure. Motorists are advised to follow the posted detour. Beginning at 6 a.m. tomorrow, the right lane on the ramp will be closed for approximately four weeks for parapet and guiderail work.

The project is part of a \$15 million federally-funded contract to perform preventative maintenance and increase the service life of bridge structures in Bergen, Essex, Hudson, Morris, Passaic, Sussex, Union and Warren counties.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for construction updates and real-time travel information and for NJDOT news follow us on X (Twitter) [@NewJerseyDOT](https://twitter.com/NewJerseyDOT) or on the [NJDOT Facebook page](#).
