I-287 temporary stoppages Sunday night for priority utility repairs in Bernards, Somerset County **Repairs needed for wires damaged during recent storm**

(Trenton) – I-287 is scheduled to have temporary stoppages in both directions on Sunday night for priority utility repairs to wires over the highway that were damaged in Wednesday night's storm in Bernards, Somerset County.

Beginning at 11 p.m. Sunday, June 30 until 4 a.m. Monday, July 1, I-287 is scheduled to have a series of temporary stoppages between Exit 26/Mount Airy Road and Exit 30/North Maple Avenue to repair wires over the highway that were damaged in Wednesday night's storm.

Motorists should expect overnight delays and are advised to use the following alternate routes:

I-287 northbound Alternate Route:

- Motorists on I-287 northbound wishing to avoid the temporary stoppages between Exit 26 and Exit 30 are advised to take I-78 eastbound
- Stay in the local lanes and take Exit 48 to Route 24 westbound/Milburn
- Take the exit for I-287 northbound to I-80/Mahwah

I-287 southbound Alternate Route:

- Motorists on I-287 southbound wishing to avoid the temporary stoppages between Exit 30 and Exit 26 are advised to take Exit 37 to Route 24 eastbound to I-78/Springfield
- Take the exit for I-78 westbound/Clinton
- Take Exit 29 for I-287 to Routes 202/206/Morristown/Somerville
- Stay left to take the exit for I-287 southbound/Routes 202/206 southbound/Somerville

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for construction updates and real-time travel information.
