Route 1&9 Truck southbound lane closures tonight between Communipaw Ave and the Hackensack River Bridge in Jersey City Overnight lane closures necessary for about two months for conduit installation

(Trenton) – Two lanes on Route 1&9 Truck are scheduled to be closed overnight for approximately two months between the Communipaw Avenue intersection and the Hackensack River Bridge in Jersey City, Hudson County.

Beginning at 9 p.m. Monday, October 14 until 5 a.m. Tuesday, October 15, and continuing nightly for approximately one month, two lanes on Route 1&9 Truck southbound will be closed from the Communipaw Avenue intersection to the Hackensack River Bridge to install Intelligent Transportation System (ITS) conduit across the roadway. One lane of traffic will be maintained on Route 1&9 Truck southbound during the closure, and a temporary stop sign will be installed at the end of the ramp from Route 1&9 Truck southbound to Route 1&9 southbound/Communipaw Avenue. Once work is completed in the southbound direction, work will continue in the northbound direction, which will take approximately one month.

The work is part of Contract 8B of the Pulaski Skyway rehabilitation project, which is being advanced through multiple construction contracts. The Department is carefully coordinating the Pulaski Skyway project with other regional transportation infrastructure projects to minimize traffic congestion.

The Department has a project hotline telephone number, 973-776-7400, and email, Pulaski.Skyway@dot.nj.gov. Anyone who has questions, concerns, or suggestions is encouraged to contact the Project Outreach Team as work progresses.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information, and for NJDOT news follow us on X (Twitter) [@NewJerseyDOT](https://twitter.com/NewJerseyDOT), the [NJDOT Facebook page](https://www.facebook.com/NJDOT), or on Instagram [@NewJersey.DOT](https://www.instagram.com/NewJersey.DOT).
