Commercial Vehicle Travel Restrictions Lifted on all Interstate highways as of 9 a.m. today, Wednesday, February 12
Motorists urged to use caution as road conditions can change quickly

(Trenton) – New Jersey Department of Transportation (NJDOT) officials announced **the Commercial Vehicle Travel Restriction will be lifted effective at 9 a.m. today, Wednesday, February 12 for all highways.**

All vehicles previously listed in the restriction are able to resume normal travel on the following highways in both directions:

- I-76 (entire length)
- I-195 (entire length)
- I-295 (entire length)
- I-676 (entire length)

Interstate and State highways are in good condition, but roads are still wet and may be slippery. It is important to remember road conditions can change quickly. Motorists should slow down and obey posted speed limits. Our crews will continue to monitor conditions throughout the day to make sure roads remain in good condition.

For winter weather and preparedness updates, motorists are encouraged to check the New Jersey Office of Emergency Management's website, www.Ready.NJ.gov and NJDOT's traffic information website www.511nj.org for real-time travel information.
