Route 46 traffic slowdowns in both directions tonight to shift traffic in Knowlton, Warren County Westbound traffic to be shifted to eastbound lane

(Trenton) – Route 46 is scheduled to have traffic slowdowns in both directions tonight to set up a traffic shift as a pavement preservation project advances in Knowlton, Warren County.

Beginning at 10 p.m. tonight, March 21, until 6 a.m. tomorrow, Saturday, March 22, Route 46 is scheduled to have traffic slowdowns in both directions beginning at Walnut Road and continuing for approximately three-quarters of a mile to the east. The slowdowns are necessary to restripe the roadway for a traffic shift. Motorists should use caution and expect delays.

By 6 a.m. tomorrow, Saturday, March 22, Route 46 eastbound traffic will be shifted to the right shoulder, and Route 46 westbound will be shifted onto the eastbound side of the roadway to create a work zone to reconstruct Route 46 westbound. This configuration is expected to be in place for approximately one month.

The work is part of the \$14.5 million federally funded pavement preservation project that will reconstruct approximately one and a half miles of Route 46 between I-80 and Walnut Road in Knowlton, Warren County. In addition, the project will upgrade drainage and guiderail throughout the project limits, as well as install Intelligent Transportation System (ITS) at the Route 46/Route 94 and I-80 interchanges. The project is expected to be completed in fall 2025.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information, and for NJDOT news follow us on X (Twitter) [@NewJerseyDOT](https://twitter.com/NewJerseyDOT), the [NJDOT Facebook page](https://www.facebook.com/NJDOT), or on Instagram [@NewJersey.DOT](https://www.instagram.com/NewJersey.DOT).
