Route 1&9/Tonnele Avenue new traffic signal activated today as Hudson Tunnel project advances in North Bergen Temporary traffic signal for construction yard access

(Trenton) – A new traffic signal at 1801 Route 1&9/Tonnele Avenue was activated today in North Bergen, Hudson County as part of the Gateway Program Hudson Tunnel Project.

The temporary traffic signal at 1801 Route 1&9/Tonnele Avenue was activated this morning, March 21 to allow construction vehicles to turn left from Route 1&9/Tonnele Avenue northbound into the construction yard for the Gateway Program Hudson Tunnel Project.

The work is part of the Hudson Tunnel Project as part of the Gateway Program that will replace and update rail infrastructure along a 10-mile stretch of the Northeast Corridor, including building a new two-track Hudson River rail tunnel between the Bergen Palisades in New Jersey to Manhattan. For more information about the Gateway Program, go to www.gatewayprogram.org.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website www.511nj.org for real-time travel information and for NJDOT news follow us on X (Twitter) [@NewJerseyDOT](https://twitter.com/NewJerseyDOT), the [NJDOT Facebook page](https://www.facebook.com/NJDOT), and on Instagram [@newjersey.dot](https://www.instagram.com/newjersey.dot).
