## **Route 35 Bridge over Perth Amboy Connector to be closed and detoured this weekend in Perth Amboy Closures necessary to pour concrete bridge deck**

**(Trenton)** – The Route 35 Bridge over the Route 440 Perth Amboy Connector/CR 624 will be closed and detoured this weekend to pour the new concrete deck on the northbound side of the bridge in Perth Amboy, Middlesex County.

Beginning at 7 a.m. Sunday, April 13, until 6 a.m. Monday, April 14, the Route 35 Bridge over the Route 440 Perth Amboy Connector/CR 624 is scheduled to be closed and detoured in both directions between Fayette Street and New Brunswick Avenue. This bridge is located just north of the Route 35 Victory Bridge over the Raritan River and goes over the Route 440 Perth Amboy Connector/CR 624. The closure is the first of two that are necessary to pour the new concrete deck on the northbound side of the bridge. The following detours will be in place on Sunday:

### **Route 35 southbound Detour:**

- Motorists traveling on Route 35 southbound will be directed to turn right onto New Brunswick Avenue/CR 616
- Turn left onto South Florida Grove Road
- Turn left onto Perth Amboy Connector/CR 624
- Turn right onto Hebert Street
- Turn right onto Fayette Street
- Turn left onto Route 35 southbound

### **Route 35 northbound Detour:**

- Motorists traveling on Route 35 northbound will be directed to turn right onto Fayette Street
- Turn left onto CR 624/Perth Amboy Connector
- Stay in the right lane to turn right onto South Florida Grove Road
- Turn right onto New Brunswick Avenue/CR 616
- Turn left onto Route 35 northbound

The \$16.9 million federally funded project will replace the bridge, which is in poor condition. Construction will take place in stages with the southbound side of the bridge reconstructed first. Traffic is being shifted to the newly constructed southbound side of the bridge to allow construction of the northbound side. The project will also replace guiderail and fencing. The entire project is expected to be completed in the fall 2025.

The precise timing of the work is subject to change due to weather or other factors. Motorists are encouraged to check NJDOT's traffic information website [www.511nj.org](http://www.511nj.org) for construction updates and real-time travel information and for NJDOT news follow us on X (Twitter) [@NewJerseyDOT](https://twitter.com/NewJerseyDOT), on the [NJDOT Facebook page](#), or Instagram [@NewJersey.DOT](https://www.instagram.com/NewJersey.DOT).
